**Please be advised:**

**All applications for Non-Competitors and Yodan and above must be received by the date of the Promotional that precedes the Kata Exam. The reason for this is the time involved in processing these applications. All information has to be verified by the Promotion Committee Chairman. Applications for Shodan, Nidan, or Sandan are due EIGHT days before the Kata Exam. All applicants have to be checked out with the USJF so it can be determined that the applicant has a current background on file and their membership is up to date. The USJF will not process any applications for promotions unless a candidate is up to date. The deadlines are in place so there will be no delay in the processing of your paperwork once the paperwork is received by the National Office.
